U.S. Workers Headed For "Third World" Living Standards

The Thunderbolt

NEWS SUPPRESSED BY THE DAILY PRESS

ISSUE NO. 294 JANUARY, 1984

Warning — Plot To Lower Workers' Standard of Living Contrary To Media Lies — American Workers Produce

The American working people and the upper-middle class are on the verge of being wiped out and few are able to see this great danger. Unless protective trade barriers are erected in the immediate future there will be left only a tiny super-rich class in America and a vast multitude of very poor people. This includes many middle-level income people who falsely think their future is secure. Here are the shocking facts:

The BIG LIE being promoted on TV and in the daily press is that Americans are lazy workers and do not produce. They say this is why imports exceed exports by the billions of dollars and factories are fleeing overseas. But what are the true facts?

1) The Productivity Institute rated the workers of various nations on how much they produced. Using a

Kingston, Jamaica blacks making Ajax detergent at $1 per hour. The company recently moved here from the U.S.

numbering system their study showed the following nation's workers being the most productive: Switzerland, 189; America, 182; Holland, 182; Canada, 164; West Germany, 156; France, 154; Sweden, 140; Belgium, 137; England, 121; Japan, 111; Italy, 101; Israel, 100. Thus the American worker is the second highest producer in the world — THE BIG DIFFERENCE IS THAT THE COLORED THIRD WORLD PEOPLE WILL WORK FOR SLAVE WAGES!

2) It is not a lack of production by American workers which moves entire factories to broken, destitute, overpopulated Third World countries. THEY FLEE AMERICA FOR CHEAP COOLIE LABOR.

Here is the proof: The following are the average earnings for wokers: American workers (including benefits, medical, pension, etc.) earn an average $11.79 per hour; Canada, $10.77 per hour; Switzerland, $10.47; West Germany, $10.43; Sweden, $10.33; France, $8.15; Italy, $7.39; England, $6.67; Japan, $5.82; Spain, $4.99; Israel, $4.67; Taiwan, $1.57; Hong Kong, $1.55; Korea, $1.22.

Wrecking Unions Hurts You

Perhaps you are not a Union supporter. We do not agree with many of the liberal politics of union big shots. Still, it was the union worker who shocked the nation in the Michigan Democratic Primary a few years ago and voted for Gov. George Wallace when he was still known as the "White People's Candidate." If it were not for unions, most Americans today would be working for minimum wages. Thousands of companies pay higher wages just to keep the unions out! Now the unions are being broken, plants are fleeing to slave labor countries and U.S. workers are asked to take pay cuts — AND BROTHER YOU HAVE NOT SEEN ANYTHING YET! THEY WANT US ALL WORKING FOR COOLIE WAGES AND THE NEXT DEPRESSION WILL CUT WHATEVER YOU ARE MAKING NOW IN HALF. YOUR ONLY CHOICE IS TO JOIN US NOW AND FIGHT BACK!!

Union membership reached its peak in 1945 with 35.5 million members. It has been on the decline ever since down to 22 million members today. Bear in mind that during this period the U.S. population has skyrocketed and union membership should have risen!

Communist Controls Jackson's PUSH

Rev. Jesse Jackson's Communist Backing

Rev. Jesse Jackson's PUSH organization is actually run by its "Dept. of International Affairs." The director of this "Department" is the life-long communist Hunter Pitts O'Dell. (He also uses the aliases of Jack O'Dell.) O'Dell was one of the original communist leaders connected with the Tennessee Mt. Eagle Training School attended by Martin Luther King. He also worked inside the SCLC during the days when King was formenting riots all across the nation.

In June of 1962 a life long communist operator, Stanley Levision (Jew) recommended to King that he hire O'Dell as his executive assistant. Thus O'Dell rose to a "ranking position" in King's SCLC. The U. S. Senate Subcommitte on Internal Security on April 12, 1956 declared that O'Dell was the head of the Communist Party in New Orleans and his apartment was a clearing house for Marxist material from all over the world. In 1959 O'Dell was named to the National Committee of the U. S. Communist Party and did not drop from that position until he went to work for the King organization. The Senate Subcommittee also revealed that O'Dell had been a life long member of the Communist Party dating back to the late 1940s through the early 1960s.

Today O'Dell is the associate editor of "Freedomways" which is a front publication for the U. S. Communist Party. Another editor of Freedomways is Esther Jackson, also a member of the Communist Party. Her husband, James Jackson is today a top national leader of the Communist Party. Both O'Dell and James Jackson are

members of the World Peace Council. The CIA has termed this organization *"a major Soviet-controlled international front organiztion."*

Jack O'Dell Controlls PUSH Funds

Burger King spokesman, John Weir, states that for blacks to have "a plus" toward obtaining a franchise one should be a member of the PUSH International Trade Bureau (which is headed by Jack O'Dell.) Burger King signed an agreement with PUSH promising blacks a franchise for $25,000 while White people must pay $250,000 for the same franchise.

Chicago negro Clifton Charles was interested in the franchise but was told he had to pay O'Dell $500 before he could even talk with a Burger King representative.

Charles responded: *"I'm supposed to be some type of dummy to pay $500 to get the names of people. It's bribe to me, nothing more than a bribe. I was led to believe PUSH was out to serve humanity but they're just helping themselves."*

Jackson's PUSH had the same deal going in other parts of the country and in each incident Jack O'Dell was in charge of the operation. In St. Louis local blacks objected to the $500 fee to get in on the action of PUSH blackmail of White businesses. The negro weekly, "St. Louis Sentinel," editorially criticized the

who have always pretended to be left-wing and pro-working class. In a Times editorial of Oct. 13, it is written: *"Open auto trade with Japan is needed because at the very least it would demand wage and price cuts from American companies."* In other words, no more wage increases — just wage cuts until we are making 50¢ an hour like the average Mexican worker in U.S. sweat shops across the border!

Ford and General Motors have already concluded deals with Japan to allow that tiny nation to produce their small cars. Chrysler has gone to court to challenge this plan but little will come of this. Japan ships us nearly 1.7 million cars a year and now they will make them here and soon our workers will be earning Japanese wages. Today, one-fifth of all American workers have second part-time jobs just so their families can survive. They earn the $3.35 minimum wage with no benefits. More wives must work today than ever before and soon the New York Times and other "liberal" newspapers will be telling us to put our children to work just to scrape by — soon the Child Labor Laws will be scrapped!!

Oppression of Workers Planned

New York Times Calls For More Wage Cuts

Thousands of American jobs are being lost every year and this rate is excelerating. Here is the report of Newsweek Magazine of Nov. 14: *"The biggest enticement (for a U.S. firm to move to a negro Caribbean island) is the pool of unskilled yet trainable labor willing to work for subsistence wages as low as 20 cents to $1 an hour. Coupled with tax breaks on imports from Caribbean countries under Pres. Reagan's 'Caribbean Basin Initiative' which lifted many taiffs, the boom is on. Some island nations compete with one another to see which can be the lowest bidder in wages and that sets the standard for all."*

More Firms Leave U.S.

Pennsylvania's Transducer Systems, Inc. claims they "shave" nearly 90% off production costs by shipping engineered parts in the U.S. to St. Kitts for final assembly.

New Jersey's Telemar computers' new assembly plant in Jamaica pays workers $50 to $60 a week. One Telemar official bragged, *"In the U.S. we would have to pay our workers $350 to $400 a week."*

California based Signetics now operates out of Thailand where they pay workers $1 per hour compared to the $9 they once paid American workers. Also the Thailand government has exempted the firm from all taxes for eight years. Bruce Stromstad, the Thailand plant manager, chuckled: *"We just look out over the plant and it is just one big room full of little girls with black hair and brown eyes working ten hours a day and six on Saturday."*

Orwell's 1984 Slave State Near

When Atari workers voted for a union the management closed the plant and laid off 1,700 workers. They have moved to Indonesia where workers receive an average of 19 cents an hour. Atari is owned by Warner Communications which earned a profit of $1.2 billion last year. Hong Kong's Industry Dept. advertises their workers are the best in the world and will work for $1.20 per hour. More go to the Asian countries because their people can complete the intricate detailed work of building a computer — while the negroes in the Caribbean can only assemble pieces of a finished product. Blacks are not capable of complicated intricate work.

Unless American workers awaken they will soon find themselves enslaved in a Socialist state run by "commie-millionaires." Ever wonder why so many rich people back ultra-left Marxist political candidates? They want a "workers paradise" here where all who labor for the multi-national companies (who will own everything) shall exist in Orwell's Big Brother 1984 slave state. Believe it or not, a recent poll found that 90% of all Americans, White, black, Hispanic, poor, middle class, etc., ARE ALL SATISFIED WITH THEIR WAY OF LIFE AND ARE NOT READY FOR CHANGE!

We must build the cells of the awakened elite because one day the masses of our people will all arise at once. We must be sure that the Right side provides the people with answers and political leadership in order to save the nation and our race when people realize exactly what is happening to them.

Whites Must Register To Vote

DANGER — Black Voter Registration Overtaking Whites

Rev. Jesse Jackson's black voter registration drive has been successful far beyond his wildest dreams. On May 15 Jackson launched his "Southern Crusade" to register 1.5 million blacks before the Nov. 1984 elections in 11 Southern states. Amazingly he was able to register 225,000 by August. It is estimated that 400,000 blacks have registered as of this date. Buoyed by this success, Jackson has increased his projected goal to three million registered black voters in the South and five million nationwide.

It has been noted that of those involved in black voter registration the most difficult to motivate to register are the blacks living in public housing projects. Jackson said this is because "they have developed a plantation mentality." He urged they be bused to registration offices or that voter registrars be brought to their front door. Jackson said plans should be made now to bus them to the polls on election day. This will have a terrible effect on local politicians who will be fighting over the black vote!

Blacks Registering To Vote At Higher Rate

The U.S. Census Bureau, reporting on the 1982 election, found that 34% of blacks voted in 1974. This increased to 43% voting in 1982. White voter participation is still higher than blacks but is growing at a far slower rate. Some 47__ of Whites voted in 1978 and this rose by only 3% to 50% in 1982. Rev. Jesse Jackson states that his program will give blacks a greater impact at all levels of governments.

The time has come for a White Voter Registration Drive to maintain an overwhelming White voter majority. It should be remembered that in all White Vs. Black elections an average of at least 10% of liberal Whites suffering from a deeply ingrained phobia of "White Self-Hate," will vote for the black candidate every time! Whites must register to vote in far greater numbers than ever before and on election day go to the polls and vote for a White candidate who takes a stand closest to our views — representing the preservation of the White Race, our culture, traditions and history!!

Jews Seek Compensation From Arab Countries But Offer No Aid To Arabs Driven From Israel!

The World Organization of Jews From Arab Countries headed by Leon Tamman issued a "demand" on Dec. 10th for *"compensation for the thousands of Jews who have fled Egypt and other foreign countries to Israel. The figure of property abandoned by these poor Jewish refugees certainly would run into the hundreds of millions of dollars."*

At the same time, Mr. Tamman stated all Arab states should work to "absorb their Palestinian brethern who have left Israel." HE MADE NO MENTION OF COMPENSATION FOR THE HUNDREDS OF THOUSANDS OF ARABS WHO FLED THEIR HOMES IN PALESTINE. THEIR PROPERTY WAS CONFISCATED BY ISRAEL WITHOUT ANY COMPENSATION.

Latest figures show that 94,000 Palestinians were forced to leave the West Bank between 1974 and 1980. A far greater number had to leave during the years between 1967 and 1980. There has been no talk by Jew leaders of compensating these people.

PUSH $500 fees for blacks as a "kickback approach" and added that Jesse Jackson and O'Dell had made themselves a *"million-dollar commitment to themselves."*

PUSH Rips Off U. S. Taxpayers

Federal auditors have charged that Rev. Jesse Jackson and PUSH have "questionally used" and been "unable to document" the expenditure of $2.1 million given them by the U. S. Department of Education. They demand the money be repaid but no move has been made to collect! The Reagan Administration is afraid to press charges against Jesse Jackson because he would cry "persecution." In an election year the Republicans want negro votes. (Will receive any?)

There can be little doubt that all the publcity given Rev. Jesse Jackson over the release by Syria of co-pilot Robert Goodman, Jr., has been to boost the black cause. The fact that Goodman has a White wife and mongrelized children was all the more motive for the left-wing press to hail this negro serviceman as a "hero."

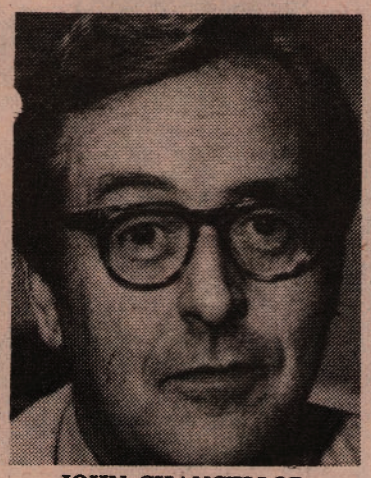
None of our Vietnam POWs received such a welcome when they returned home after fighting a real war. Why should Jesse Jackson and Lt. Robert Goodman be honored any differently?

The idea of black heroes when such is not deserved smacks of false glorification of a minority race to enhance their aggression in the job market, welfare handouts, and with White girls who have fallen for the race-mixing propaganda of the super-negro. The media had a field day hailing Jesse Jackson and Goodman with his interracial famly. Here is more propaganda to twist the minds of our young people.

Will Chancellor Be Fired?

Is NBC News John Chancellor On His Way Out?

Jewish publications from coast to coast are demanding John Chancellor be fired for speaking his personal "editorial views" on nationwide TV. On this page we reproduce his statement in full from "Jewish Week."



JOHN CHANCELLOR

Chancellor's every word is true! Note the article ends demanding his "*comments should be checked before they're aired and heard by millions of innocents*" — meaning us poor brainwashed Christians! WHAT THEY WANT IS CENSORSHIP OVER ALL COMMENTATORS!

The Jewish Community Relations Council of N.Y. denounced Chancellor charging he "**distorts fact and insults the Jewish community.**"

Jewish Press writer Rabbi Yaakov Spivak on Dec. 30 called on NBC News president Reuven Frank, "as a fellow Jew" to silence Chancellor and "stop his anti-Semitism, and apologize to the Jews." Not very often does a message bearing so much truth appear on national TV news. The Jews have whipped themselves into a frenzy to make sure that it does not happen again. Remember Jews maintain strict censorship of the news in both Israel and Russia. They want the very same thing here — just as Orwell predicted for 1984!

Most Pro-Communist Senator

Americans for Democratic Action has announced that their study of left-wing votes by U. S. Senators found only one who voted Marxist on every single issue. He is none other than the multi-millionaire Jew Sen. Howard Metzembaum of Ohio. (Note: Why is it that so many rich people support communism?) On the opposite side of the spectrum Sen. Jesse Helms had the best right-wing voting record.

(Below from "Jewish Week," Dec. 16)

A riddle for NBC

A question for NBC: Do these quotes sound familiar?

"Prime Minister Shamir's visit to Washington will make the history books. He won approval for strategic military cooperation, which Israel wanted badly; he is taking home a bundle of agreements to help his ailing economy, which Israel wanted desperately; and he is getting, from the Congress and the White House, the most generous package of military and economic assistance ever given to Israel.

"In 1984, the United States is planning to send $2.6 billion to Israel; of that $1.7 billion will be outright gifts requiring no payment. A bonanza for Israel.

"And the Israeli government hasn't given up a thing. It still opposes President Reagan's peace initiative of last year; it still rejects the American request for a freeze of new settlements in occupied territory.

"This American turnabout comes after two and a half years of trouble with Israel, caused by: the Israeli bombing of a nuclear plant in Iraq; the bombing of a civilian neighborhood in Beirut; the annexation of the Golan Heights; the invasion of Lebanon; and the rejection of the Reagan peace plan. All of these things happened during the Reagan administration.

"Two reasons for the change: American policy in the Middle East has reached a dead end...a closer alliance with Israel is at least a new policy. The old one hasn't worked.

"And 1984 is an election year. It is a political fact that in election years, political contributions from the Jewish community play an important role—a decisive role for some Democrats in Congress. No American politician gets tough with Israel during an election year.

"American politicians know that...Israeli politicians know it, too which perhaps accounts for the smile on Prime Minister Shamir's face while he was in Washington."

Mr. Chancellor's acid comments are unworthy of a national TV news commentator. He sounds like someone who sees Israel as a treacherous villain—even if the rest of the country perceives the Jewish State as a good friend. Maybe his comments should be checked before they're aired and heard by millions of innocents.

VIGIL

by Rabbi Yaakov Spivak

An Open Letter To Reuven Frank

Dear Mr. Frank:

As President of NBC News your journalistic policies affect the hearts and minds of millions of Americans. I write to you as a journalist and as a fellow Jew.

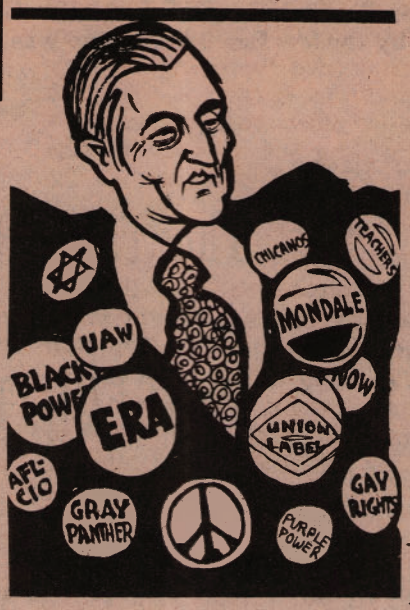
Mr. Frank, should Lebanon turn into another Viet Nam for the United States, comments like those made by John Chancellor could bring an unprecedented wave of anti-Semitism upon the Jewish community in this country.

When you allow John Chancellor to fuel the fires of Jew Hatred by making inaccurate, irresponsible statements, you bring the Hammer of Hate down upon your own people. Mr. Frank, you are setting the stage for Lebanon to be looked upon as a "Jew War" — a concept used by Hitler to turn the masses of his country against the Jews.

I hereby call upon you, Mr. Frank, to set aside your official half-hearted explanation of Chancellor's anti-Semitic remarks, and replace it with a public apology to the American people, the journalistic community and your fellow Jews.

Very truly yours,
Rabbi Yaakov Spivak

Mondale — ALL Things To ALL Special Groups



Mondale's campaign buttons.

Mondale's Program For National Defense

All of the Democratic candidates for President want to drastically cut Reagan's present defense budget. But, they are all very vague about how much should be trimmed. Fritz Mondale has come up with a new line which further ingratiates himself with the pro-Israel bloc vote. His new policy states: "*America must remain strong enough to protect the vital interests is Israel!*"

Mondale Vs. Glenn — One Important Difference

The Democratic nomination has narrowed down to Mondale, who has a big lead over John Glenn, with Rev. Jesse Jackson running a close third. Sen. Glenn has refused to seek the homosexual vote. In New York Glenn's local campaign manager, State Sen. Manfred Ohrenstein (Jew), resigned from the campaign because of Glenn's refusal to back a federal civil rights law for "gays." Mondale has sought the homo vote at every turn.

Democrats Make South Africa An Election Issue

New York Rep Stephen Solarz says, "no Democrat can win the Presidency without black support and South Africa is very important issues to blacks." On a voice vote which saved many sellouts from being exposed, Solarz pushed a bill through the House on Oct. 27 which would

- Ban imports of the popular gold Krugerrand.
- Bar new investments by U. S. firms.
- Require U. S. firms operating there to follow an FEPC hiring rules.
- Ban new loans by U. S. banks to the government of South Africa.
- Ban IMF loans to South Africa.

This bill, now pending before the Republican dominated Senate, may well pass. It has been endorsed by Democratic Presidential contenders, Mondale, Glenn, Hollings, Cranston, Hart, McGovern and Jesse Jackson.

Three liberal controlled states have passed state laws against private companies doing business in South Africa. They are Mass., Conn., and Mich. Patriotic White voters should take close note of all of those involved in these anti-White activities. Bear in mind that no such law has ever passed the House imposing similar economic sanctions against Russia or any of its satellite states.

Brainless Leaders?

Speeches By Leading Politicians Which Make No Sense?

Vice-President Bush spoke in Vienna, Austria before the International Foreign Policy Assn. He accused the Soviet Union and "most of its allies of violating human rights." Bush then praised Hungary and Rumania for "more open and independent policies." Rumania is one of the most oppressive dictatorships in the world and Hungary is not far behind. Austria's Chancellor Kreisky responded: "*I could make no sense whatsoever out of his whole lecture!*"

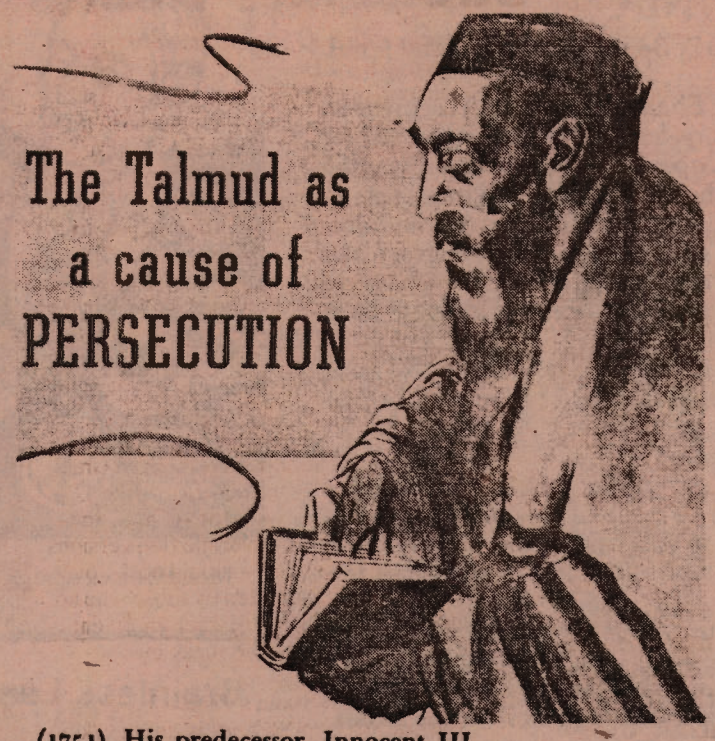
South Carolina's Sen. Ernest Hollings has defended Israel's invasion of Lebanon which resulted in the deaths of untold thousands of innocents. Hollings said, "*Israel is getting a bum rap in Lebanon. They went in to clean up the Palestinians and did a good job of it.*" (Note: Does that include the killing of thousands of innocent men, women and children?)

Iowa Democratic straw poll had Hollings doing poorly and Sen. Cranston running second. Hollins said: "You had wetbacks from California that came in here for Cranston." Mexican leader Lando Valdez said Hollings was unfit to run for president and later Hollings said he aplogized and was not talking about Mexican-Americans. Well then, who was he talking about?

Few Americans realize that we have many people holding high office who are of low intelligence and often do not have the slightest idea of what they are even talking about!

Rabbis Teach From Anti-Christian Book

(Below explanation of The Talmud was published in Fr. Coughlin's "Social Justice" on Dec. 12, 1938 and written by theJew Ben Marcin who was a convert to Christianity.)



QUOTING from the first volume of *The Jewish Library,* published by the Union of Orthodox Jewish Congregations of America, entitled "Essentials of Judaism," with a subtitle: "A Guide to Facts of Jewish Law and Life," written by the general editor, Rabbi Leo Jung, we read:

"Jewish law is composed of the oral law and the written one. The latter is contained in the Pentateuch, the *Torah* proper. The former was for a law and the written one. The latter is contained in the Pentateuch, the *Torah* proper. The former was for a long time kept unwritten, handed down by word of mouth from generation to generation.

The *Jewish Encyclopedia,* Vol. 12, states: "For the majority of Jews, it (*The Talmud*) is still the supreme authority in religion . . . It occupies a prominent place in the curricula of the Rabbinical seminaries."

THE effects of the *Talmud* as presented by Msgr. Landrieux, Bishop of Dijon, France, in his excellent work, *"L'Histoire et Les Histoires dans la Bible,"* are as follows:

"It is a systematic deformation of the Bible . . . The pride of race with the idea of universal domination is therein exalted to the height of folly . . . For the Talmudist, the Jewish race alone constitutes humanity, the *non-Jews are not human beings.* They are of a purely animal nature. They have no rights. The moral laws which regulate the mutual relations of men, the Ten Commandments, are not of obligation in their regard. They oblige exclusively between Jews. With regard to the Goys (non-Jews), everything is allowed: robbery, fraud, perjury, murder. When the *Talmud* became better known, especially in the sixteenth century, thanks to the invention of printing, such indignation was aroused throughout the Catholic world that a Jewish General Assembly in 1631 gave orders that the most obnoxious passages should not be printed, but added that, a little circle, (O), should be put in the place of the suppressed passages. This will warn the Rabbis and the school teachers that they are to teach these passages orally so that the learned among the Christians 'may not have any pretext for attacking us in this regard.' In our day the *Talmud* does not provoke either astonishment or anger amongst Catholics, *because it is no longer known."*

Why is *The Talmud* no longer known? The *"Dictionnaire Apologetique de la Foi Catholique,"* in the article of "Juifs et Chretians" (Cols. 1691-94) gives a long list of Papal Decrees condemning the *Talmud* and the Talmudic formation. It was condemned again by Benedict XIV in his Encyclical letter: *"A Quo Primum,"* (1751). His predecessor, Innocent III prohibited Christians from admitting Jews to their towns because the *Talmud* bound the Jews to return evil for good.

We know the *Talmud* is essentially the same today as in the days of Moses, according to reliable Jewish sources of evidence. If it was condemned in all ages since it became known in 1240 why is it unknown today amongst Christians today? Has Jewish power penetrated the mighty fortress of the Church and "silenced" these facts?

This doctrine so opposed to Christianity?

Hillaire Belloc in his book *"The Jews"* states:

"The cause of friction on our part is due to the fact that we dare not or will not teach in our history books the plain facts of the relations between our own race and the Jews. The special character of the Jew, his actions through the secret societies, and in the various revolutions of foreign states, his rapid acquisition of power, through finance, political and social, all that is left out."

Why are history books so distorted? Why is education such a sham that the word "Jew" rarely appears in print? Why do the Jewish international financiers control the text-books of all nations, by control of the publishing houses, so that our very money system is a complete mystery, even to a man who receives a Doctor of Philosophy Degree after 16 years of study? In fact, one may become a Ph.D. without knowing very much about a lot of things.

IT is evident, therefore, that the expressions and actions authorized in *The Talmud,* is the focal point of friction between the Jews and the non-Jews, but by the "conspiracy of silence," this real cause never appears in print, and is hardly ever mentioned.

The Reverend Dr. Dennis Fahey, in his book, *"The Mystical Body of Christ in the Modern World,"* states:

"In the Jewish organ (*L'Univers Israelite*) the following quotation appears:

" 'For two thousand years, *The Talmud* has been and remains an object of veneration for the sons of Israel whose religious Code it is. The absolute superiority of *The Talmud* over the Bible of Moses must be recognized by all.'

"That pitiful and regrettable Talmudic formation, with its inevitable resultant aversion and contempt of the Jew for the non-Jew evidently still flourishes. The expressions of that contempt, especially the Jewish attitude toward non-Jewish female honor, leads to reactions on the part of non-Jews, and thus friction in country after country becomes unavoidable."

Why do the Jewish leaders prohibit the Jews from reading the New Testament? Why is this story of human love and brotherhood denied? Why is this unparalleled story of beauty and truth ridiculed? Because the rulers of Jewry today are but the extension of the same Sanhedrin that ordered the execution of Christ!

Jewish spokesmen plead for suppression of facts in the name of "religious persecution." Let it be clear that no one imbued with the true American spirit would or could condemn, hinder, or even remonstrate with any Jew *on account of his religious faith.* We merely assert that according to *The Talmud,* the Jewish people *are victimized by the Elders of Zion,* because by the actions therein prescribed, the Jewish people are forced to actions which create the inevitable friction which causes such cruel persecutions.

Father Charles Coughlin in 1936 at the found convention of his "National Union for Social Jus Party."

Movie "Yentl" Misleads Christian On Talmud

Israeli Lobby Promotes Pro-Talmud Movie

"*Yentl,*" starring Jewess Barbra Streisand, is the most important Hollywood film of the year according to Zionist propagandists. The Talmud is the most anti-Christian series of books ever written. Still, "Yentl" is a love story about a Jewess who wanted to study The Talmud so badly she disguised herself as a Jewish boy. Then she falls in love with another Talmudic student, etc., etc. Critics say this film can't miss receiving many Academy Awards.

Jewish Post & Opinion of Nov. 23 states that advertisements for "Yentl" should not reveal that the film is about a yeshiva student as Christian youths may then avoid the film as the propaganda bore which it is. Still, it is running No. 3 on the attendance charts of films for this Winter, meaning many are being misled over what The Talmud teaches about Christianity.

The American-Israel Political Action Committee (AIPAC) is the official Washington lobby for the Israeli government. On this page we reproduce their Dec. 30 report stating that "Yentl" is one of the more important propaganda movies ever filmed. They say it will do more to make Christians pro-Jewish than any film to date and there have indeed been many. The only answer is to give or loan books such as "The Talmud Unmasked" or "The Plot Against Christianity" to your Christian friends on a massive scale so that they discover what the Talmud really teaches about Christians.

(Below reproduced from "Near East Report," Dec. 30 — official organ of AIPAC — The Washington - based Israeli lobby.)

Streisand's Tribute

It was called *Remembrance of Love* and it starred Kirk Douglas and Pam Dawber. Set in (and filmed in) Israel, it was the story of two Holocaust survivors, lovers from pre-war days, who found each other at the gathering of Holocaust survivors that took place in Israel in 1981. The film was a rather conventional love story. It differed from hundreds of others in its setting (Israel) and its background (the Holocaust). Those two factors made the film unique and also made it an effective pro-Israel vehicle. No one who saw the film could miss the connection that its producers were making between the existence of Israel and the Holocaust. No one who saw it could fail to be impressed by the beauty and excitement of modern Israel.

In short, a popular film like *Remembrance of Love*—not to mention a blockbuster like the novel and film versions of Leon Uris's *Exodus*—should not be overlooked or underestimated by those who are concerned that the pro-Israel argument is not being carried by the mass media.

Streisand's *Yentl*

Barbra Streisand's *Yentl* is another kind of blockbuster. It is that rare Hollywood product—a film about Jews which treats Jewish traditions positively, and even with love. There have been dozens of American films with Jewish characters and themes but most of them have used Jews as objects of humor. The Jewish mother, the Jewish "princess," the New York Jewish neurotic, are all stock characters in movies about Jews, most of which have also been made by Jews.

Yentl is something else. Streisand, who basically staked her reputation on the success of the film, clearly feels proud of her Jewish background and identification.

Barbra Streisand in the movie "Yentl" at the knee of the holy rabbi who tells her about the great wisdom found in The Talmud!

Barbra Streisand deserves credit for making this film. The millions of non-Jews who will see it will walk out of the theater more respectful of and knowledgeable about Jewish culture. Many Jews as well will learn that there was more beauty and intelligence in the lives of their forbears than they had previously thought.

Barbra Streisand says that she made *Yentl* as a tribute to her father Emanuel Streisand, who died when she was a child. *Yentl* is that, but it is also more. It is a tribute to all our fathers and mothers who strove to preserve Jewish culture and the Jewish people against overwhelming odds. As they say in Hebrew, *kal ha'kvod* (all honors) to Barbra Streisand. Her *Yentl* does credit to us all. ⊡

In *Babha Bathra* (54b) it says:

"All things pertaining to the *Goim* are like a desert; the first person to come along and take them can claim them for his own."

CHRISTIANS MUST NOT BE TOLD IF THEY PAY TOO MUCH TO A JEW

In *Choschen Hammischpat* (183,7) it says:

"If you send a messenger to collect money from an *Akum* and the *Akum* pays too much, the messenger may keep the difference. But if the messenger does not know about it, then you may keep it all yourself."

LOST PROPERTY OF CHRISTIANS MUST NOT BE RETURNED TO THEM

In *Choschen Ham.* (266,1) it says:

"A Jew may keep anything he finds which belongs to the *Akum,* for it is written: *Return to thy brethren what is lost* (*Deuter.*XXII,3). For he who returns lost property [to Christians] sins against the Law by increasing the power of the transgressors of the Law. It is praiseworthy, however, to return lost property if it is done to honor the name of God, namely, if by so doing Christians will praise the Jews and look upon them as honorable people."

CHRISTIANS MAY BE DEFRAUDED

In *Babha Kama* (113b) it says:

"It is permitted to deceive a *Goi.*"

And in *Choschen Ham.* (156,5. *Hagah*) it says:

"If a Jew is doing good business with an *Akum* it is not allowed to other Jews, in certain places, to come and do business with the same *Akum. In other places,* however, it is different, where another Jew is allowed to go to the same *Akum,* lead him on, do business with him and to deceive him and take his money. For the wealth of the *Akum* is to be regarded as common property and belongs to the first who can get it. There are some, however, who say that this should not be done."

SEDUCER

In the same book *Sanhedrin* (107b) we read:

"Mar said: Jesus seduced, corrupted and destroyed Israel."

CRUCIFIED

Finally as punishment for his crimes and impiety, he suffered an ignominious death by being hanged on a cross on the eve of the Passover (as we have seen above).

UNCLEAN

The Talmud gives two reasons why the *Goim* are unclean: because they eat unclean things, and because they themselves have not been cleansed (from original sin) on Mount Sinai. In *Schabbath,* (145b) it says:

"Why are the *Goim* unclean? Because they eat abominable things and animals that crawl on their belly."

XI. THE ONE OBJECT OF ALL THE ACTIONS AND PRAYERS OF THE JEWS SHOULD BE TO DESTROY THE CHRISTIAN RELIGION

Thus the Jews picture their Messiah and Liberator whom they expect, as a persecutor who will inflict great calamities upon non-Jews. The Talmud lists three great evils which will come upon the world when the Messiah comes. In *Schabbath* (118a) it says:

"Whoever eats three meals on the Sabbath shall be saved from the three evils: from the punishments of the Messiah, from the pain of hell and from the war of Magog; for it is written: *Behold, I shall send you Elias the Prophet before the coming of the 'Day' of the Lord, etc.*"

XII. IN THEIR PRAYERS THE JEWS SIGH FOR THE COMING OF THE REVENGEFUL MESSIAH, ESPECIALLY ON THE EVE OF THE PASSOVER:

"Pour out thy anger upon the nations that know thee not, and upon the kingdoms which do not invoke thy name; Pour out thy indignation upon them, and let thy wrathful anger take hold of them; Persecute and destroy them in anger from under the heavens of the Lord." [7]

Maimonides in Hilkhoth Akum X, 1.

אסור לרחם עליהם שנאמר ולא תחנם לסיכך אם ראה גוי עובד כו"ם אובד או טובע בנהר לא יעלנו: ראהו נטוי למות לא יצילנו אבל לאבדו בידו או לרפחו וכיוצא בזה אסור מפני שאינו עושה עמנו מלחמה

Non licet misereri eorum; quia dicitur: «Ne misereberis eorum»[1]). Idcirco, si quis viderit Akum pereuntem, vel aquis demersum, ne opem ferat. Si eum morti proximum viderit, ne eripiat morti. Attamen manu sua eum perdere, praecipitem in puteum dare, vel siquid huic simile, nefas est, quia nobiscum bellum non gerit.

Maimonides, in *Hilkhoth Akum* (X,1) says:

"Do not have any pity for them, for it is said (*Deuter.* VII,2): *Show no mercy unto them.* Therefore, if you see an *Akum* in difficulty or drowning, do not go to his help. And if he is in danger of death, do not save him from death. But it is not right to kill him by your own hand by shoving them into a well or in some other way, since they are not at war with us."

French National Front Wins

French National Front leader Jean LePen looks over burned-out headquarters. The next day he won the election and moved his office into a plush hotel.

Right-Wing Victories Good News for White People World Wide

The National Front Party of France has scored its first election victory on an Anti-Immigration Platform. The National Front calls for the expulsion of the six million immigrant workers who now make up 10% of the population of France. Front leader Jean Le Pen has charged the immigrants either take jobs from French workers, live on welfare, or are petty thieves. The real boost for the National Front Party came when the present unpopular Socialist government introduced a bill in Parliament which would allow all non-citizen immigrants the right to vote. This has enraged the French people because they know this bloc vote would entrench the Socialist Party in power indefinitely.

Polls estimated that La Pen would receive only five percent of the vote. When the results were in he polled 11.25 which won him a seat on the District Council of the Paris suburb of Kari. Elsewhere the Front captured municipal council seats in Clermont-Ferrand, Nice and Marseille. This was the first time the Front had actually elected members to office sine its founding 11 years ago.

It also represented a four-fold increase in its vote since the last election. La Pen said the communist, North African and Portugese immigrants caused France the most unrest. During the election the National Front Office in Paris was blown up. La Pen announced his victory from the new plush offices in a fashionable district after his Party polled over one million votes nationwide. He explained this, *"Victory for the little people who have the most to lose from uncontrolled immigration. Our country is in danger. We cannot allow France to become a garbage can. Think of what has happened to New York City."*

Advance In Italy

MSI — New Gains In Italy

The Italian Social Movement is the right-wing anti-communist party which carries on the views of Benito Mussolino. Recently, on the 100th anniversary of the birth of Mussolini a parade from his home town, to his grave site had been banned by the Socialist government. Defying the police some 5,000 black shirt youths and veterans showed up and followed Mussolim's daughter Edda Cianno and two surviving sons on a long march to the grave site. The police stood aside with hats of signaling their true views toward Italy's last great leader since the Czars.

In the recent election the MSI won 18 Senate seats (up from 18) and in the House they won 42 seats (up from 30). The MSI vote totals rose in all economic sectors of society from citizens fed-up with the corruption of the Communists, Socialists and Democrats who have run Italy since Mussolini was murdered by communist terrorists in 1945.

"Freedom Party" In Office

Rightist Party Shares Power in Austria

The Freedom Party of Austria is not large but the ruling Socialist Party won only 90 seats, two short of an absolute majority. The Conservative People's Party won 81 seats and the Freedom Party 12. Thus the right-wing organization holds the balance of power. In sharing power with the Socialist, the Freedom Party was given the office of Vice Chancellor and three Cabinet ministers. Party Leader Nordert Steger was named Vice Chancellor. Another Freedom Party officer, Friedrich Peter, fought in the German Army against Communist Russia during World War II. He has been smeared by "professional holocaust survivor" Simon Wiesenthal, but still took his seat in Parliament. Still the right is coming out on top — slowly but surely!

ADL Expands Its Subversion Overseas

ADL Seeks World Wide Censorship of Critics

The Anti-Defamation League of B'nai B'rith has opened its European office in Paris headed by Shimon Samuels. They monitor any and all critical remarks and seek to suppress freedom of speech.

Singapore newspaper, The Straits Times, carried an ad by a Chinese businessman, Chiu Piani. It read, *"Now British and German pianos at Jewish prices!"* This insignificant matter brought down the wrath of ADL international director Abraham Faxman who branded it "bigoted and offensive." The Chinese owned newspaper printed a public apology.

The Canadian TV netowrk has fired newscaster Brian Nelson for appearing on a TV program in the Persian Gulf State city of Abu Dhabi. Nelson was covering Prime Minister Trudeau's tour of the Arab states. On the show he stated Israeli Premier Yitzhak Shamir was a "terrorist" and referred to Israel as "the Zionist entity." Both statements are correct but the truth cost Nelson his job. The TV network public relations spokesman, Marjory Anthony, said Nelson was *"irresponsible."*

No doubt the Jews would also like to fire Canadian Prime Minister Trudeau because in Kuwait he stated: *"The Palestinian people should be given their rights, a homeland in the West Bank and Gaza Strip. Consequently, we ask that Israel withdraw and its settlement policy be stopped and reversed. The Palestinian people should be at the center of any settlement to the Israel-Arab wars."*

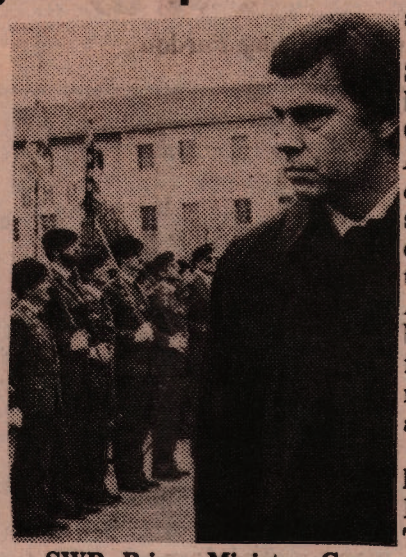
Rightist May Take Spain

Days of Crisis Loom for Spain

The Socialist Workers Party (SWP) of Leon Trotsky has been elected to power in Spain. This is the same pro-communist party which Gen. Franco overthrew in the 1936-1939 civil war. Now they are back and Prime Minister Felipe Gonzalez is rapidly removing rightist generals from the Spain's nationalist 250,000 man army. What has happened in Spain may portend future events in Europe and America.

The masses of the voters lost faith in the cowardly "middle of the road" parties and threw them all out of office. They voted either for the right or the left. The SWP gained 43% of the vote and political power. The pro-Franco right-wing Popular Alliance, headed by Manuel Fraga, won 26% of the vote. The Democrats and others divided up the balance of the vote leaving the rightists the second most powerful party in Spain today. With unemployment at a record of 16.5% and 60,000 steel workers about to lose their jobs in cut backs a new revolution of right-wing workers may well be in the wings.

The Army is angry over the dismissal of Lt. Gen. Fernando Casamayor for



SWP Prime Minister Gonzalez appears fearful as he reviews Spain's military — which may overthrow him!

praising the imprisoned military ring leaders of the Feb. 1981 attempt to seize Parliament and restore an anti-communist Franco type government. With internal dissension growing the Army along with the Popular Alliance Party may soon overthrow the Trotsky Socialist Workers Party. Spain could then regain its world leadership as the first nation in the present day Western World to drive the communists and traitors out of Spain as Franco did in 1939 and the great Queen Isabella did in 1942 when all the Jews were expelled from Spain. Only then did Spain actually enjoy its greatest period of prosperity in all history!

Capital Punishment Widely Used in Russia

The U.S. Communist "Daily World" newspaper constantly agitates for the abolition of the death penalty in America. Red groups can be seen demonstrating in front of prisons every time a brutal murderer is executed. At the same time Moscow directed U.S. Communist's have never uttered a single word about the widespread use of the death penalty in Russia.

Execution For Many Crimes in USSR

The Soviet Union's "People's Courts" hand down an average of 2,000 death sentences a year. This does not count the unknown thousands who perish in the Gulag Concentration Camps in Siberia. The death sentence is metted out for the following offenses — murder, rape, embezzlement, economic crimes, treason, sabotage, espionage, air hijacking and for collaboration with the German Army during World War II.

The communist's have no jury system and three judge panels hand down executions which usually concur with the wishes of the state prosecuters office. The death penalty is carried out by a firing squad. Why doesn't the Communist Party and their fellow travelers picket and demonstrate outside the Soviet Embassy in Washington if they really wish to oppose the death penalty.

Death From Too Much Medicine?

The Cleveland (Ohio) Plain Dealer of March 6, 1983 reports on a study made after the 85-day strike by Israeli medical doctors. Dr. Robert Mendelsohn found deaths dropped by 50%. Funeral directors, who keep such statistics, said it was the lowest death rate since the previous doctors strike 20 years before. Dr. Edward R. Fields has always, always, advocated obtaining a second or third opinion before serious medical treatment is undertaken!

Despite Great Pressure Frank Pardon Rejected

Georgia Refuses Pardon For Leo Frank
— Great Victory For Christian People —

The American Jewish Committee, Jew Anti-Defamation League and Atlanta Jewish Federation filed a 300 page brief last year with the Georgia Board of Parsons and Paroles requesting a posthumous pardon for Leo Frank. The case involved the brutal strangulation murder of little Mary Phagan, age 13. It was the year 1913 when the little girl went to the pencil factory to collect her weekly pay envelope of $1.20. She was murdered by Leo Frank, the 28-year-old Jewish supervisor of the factory. Frank paid $200 to his negro janitor, Jim Conley, to dispose of the body. Frank then dictated a note written by Conley trying to throw the blame on another negro, Newt Lee, the night watchman.

Frank was found guilty of one of the most heinous crimes in American history. It drew international attention because Leo Frank was president of the Atlanta chapter of B'nai B'rith (the secret Jew businessmen's fraternity). The fact that Frank's crime occurred 70 years ago has not deterred Jews one iota from waging an unceasing drive to clear his name — as they say — "This is a blot on the entire Jewish community." There was tremendous pressure exerted on the Georgia Board of Pardons and Paroles to exonerate Frank. Even the "Southern Israelite" of Dec. 23 reported, *"Efforts (have been made) by local and national reporters to get a clue as to the board's thinking without success."*

Media Brought Great Pressure To Bear

The Atlanta Constitution/Journal carried numerous editorials calling for a pardon for Leo Frank as did all three local TV stations. Constitution writer Bill Shipp even had the gall to write: *"Guilty or not, Leo Frank was denied Justice, which the Georgia Board of Paroles and Pardons should have so noted . . . They had a chance to remove that stain from Georgia by granting the pardon."*

Leo Frank was sentenced to death in a court of law and it was upheld by the U.S. Supreme Court. Just before his execution, Gov. John Slaton was scheduled to leave office. Slaton's last official act was to commute Frank's death penalty to life in prison. An outraged group of Christian citizens from Marietta, Ga. (Mary Phagan's home town) drove to the state prison in Milledgeville. They cut the phone lines to the prison and with pistols drawn, went in and seized Leo Frank. They drove all night back to Marietta where at dawn the orders of the jury were finally carried out and Frank was hanged from a large oak tree. Gov. Slaton's law firm had helped appeal the Frank case to the Supreme Court and he was highly paid by the organized Jewish community. Fearing for his life, Slaton and his family fled to Hawaii. The prosecutor in the famous case, Hugh Dorsey, who won the conviction, was elected Governor. Tom Watson, whose "Jeffersonian Magazine," kept the case on the front page (so people would not forget and allow Frank to quietly be commuted) went on to be elected to the U.S. Senate. Years later, John Slaton returned, hoping the White Christian people of Georgia had forgotten his dastardly deed and ran for office again. This time he only carried one county and retired from politics in disgrace forever.

Pardon Decision Shock To Jews

Still organized Jewry refuses to drop this case. They are now demanding the Pardon Board review the case again! The old "guilt complex" line is still being taunted that Christians must make amends for "persecuting the poor Jews." The Atlanta Journal of Dec. 18 stated, "Georgians of good will are haunted by this case." Charles Wittenstein of the Jew Anti-Defamation League of B'nai B'rith said: *"We are chagrined, the Board could have wiped away the stain from the history of Georgia."*

This is the old BIG LIE technique because had Frank been pardoned, all future history books would teach that once upon a time a "mob of bigoted, anti-Semite, Georgia Christians took an innocent Jew out and hanged him." No doubt a week-long film docudrama would have emerged out of Hollywood if Frank had received the pardon. The real truth in the case was voiced by Marvin Goldstein, 66, president of the Atlanta Jewish Federation. He said, *"The decision not to grant a pardon will continue to linger as a dark cloud over the Jewish community of America!"*

Goldstein is right — Jews believe in "collective guilt" — such as "all Germans are guilty of the Holocaust." Thus they feel this conviction of Frank, a leading Jew in the Atlanta community, found guilt of a horrible sex and strangulation crime, reflects on all Jews. (Jews certainly control the pornographic industry in America!)

Leo Frank
— as he appeared in court during famous trial.

Mary Phagan
— Georgia Christians will never forget her!

Gov. Joe Frank Harris — commended Pardon Board for doing a thorough job under difficult circumstances.

Dr. E. R. Fields, Editor of The Thunderbolt, fought proposed Frank pardon by holding a large public rally, gravesite memorial service, and petitioned the Pardon Board.

Statements By Those Opposing Pardon

Georgia Board of Pardons and Paroles chairman Mobley Howell stated: *"For the Board to grant such a pardon, the innocence of the subject must be shown conclusively. In the Board's opinion, this has not been shown."* Local ADL chieftain, beefy Stu Lowengrub, made many local people angry earlier by stating once he obtained the pardon for Frank he would not rest until the statue of Tom Watson was removed from the grounds in front of the State Capitol. Jews claim Watson kept interest in the case alive which led to the lynching of Leo Frank. The great-grandson of Watson gave a long interview to Constitution political editor Frederick Allen who wrote: *"I have now talked for several hours with an expert who makes a strong case that Frank was guilty. Tom Watson Brown, great-grandson of the fiery populist Tom Watson."*

Judge Randall Evans, Jr., retired from the Georgia Criminal Court of Appeals, living in Thomson, Ga., filed an opposition brief with the Board, and wrote the Atlanta newspapers: *"It was clearly proven at the trial that Leo Frank was a sex pervert-sodomist. Do you advocate that the proposed pardon absolve him of this sin, or just the crime of murder?"*

Atlanta Attorney Edgar Neely, Jr. submitted another brief opposing the pardon, saying: *"I am glad it is over. I would have been unhappyif a pardon had been granted."*

James E. Phagan, 55, nephew of Mary Phagan, said: *"I'm satisfied justice has prevailed."*

All of the blood relatives of little Mary Phagan vigorously opposed the pardon. Dr. E. R. Fields held a rally in the Marietta Town Square last Labor Day weekend to speak out against the pardon. Over 500 people attended, following which some 300 marched to the nearby gravesite of little Mary Phagan. There a wreath was placed and prayers offered.

Thank God the power of the Jews in this country is not absolute. The Georgia Board of Pardons and Paroles had the courage to stand up under tremendous pressure and refuse to pardon Leo Frank. This brutal sex-strangulation murder will forever stand as a blot upon the Jewish community as Mr. Goldstein admits. All Christians must forever bear in mind that the lusts of the Jew for sexual perversion and pornography are an inherited part of their racial traits. Just as the Bible states a "leopard cannot change its spots," thus the Jews cannot change their nature!

(Below from "Marietta Journal," Sept. 8.)

Dr. Fields Organizes Public Protest Against Frank Pardon

From Staff Reports

Dr. Edward Fields of Marietta, maintains the board cannot posthumously pardon anyone in Georgia.

Fields bases his argument on the opinion of retired Georgia Court of Appeals Justice Randall Evans Jr. of Thomson.

Evans argued no one could be pardoned posthumously, that race was not a factor at the time of the Frank trial and that Frank's conviction by a Fulton County jury was upheld on review by the Georgia Supreme Court.

Frank, a Jewish pencil-factory supervisor, was convicted and sentenced to die by hanging in connection with the murder of 13-year-old Mary Phagan of Marietta 70 years ago.

But two years later, an angry lynch mob crashed into the prison where Frank was being held in Milledgeville, took him out of his cell and drove him to Marietta, where they hanged him from a tree on Roswell Street, just east of what is now Cobb Parkway.

Fields service is scheduled to begin at 10 a.m. on the Square and a wreath will be placed on Mary Phagan's tombstone in remembrance of her murder more than 70 years ago.

Fields said the pardon request was brought by the Anti-Defamation League to "rewrite Georgia history."

He said Mann's account does not differ from Conley's testimony that he carried the girl's body to the basement of the factory at Frank's instruction.

"I don't see how this upsets or is in conflict with the trial testimony," Fields said. "That does not prove Leo Frank was innocent."

Fields said he plans to make a list of points in support of the conviction of Frank to submit in briefs to the Board of Pardons and Paroles in opposition to any posthumous pardon.

"I'm amazed there has been no protest from black leaders," Fields said. "A pardon would be saying a black man committed the most heinous, atrocious murder in the state of Georgia. Where are the Julian Bond's? It would be shifting the blame to a black man, Jim Conley. I have no doubt Leo Frank was guilty."

Aliens Overrun Border

Border Patrol Begs For Reinforcements

U. S. Border Patrol head Alan C. Nelson has declared that 1.2 million illegal aliens were caught trying to cross our border from Mexico last year. This is an increase of 40% over the previous year. Nelson said that his 1,900 man force is being overwhelmed by the sheer numbers of the "invastion force."

Nelson urged Congress to swiftly pass a special bill granting him 1,000 more Border Officers. (Note: We believe the U. S. Army should guard our borders and shores during this crisis!). The problem is controllable because 60% of all arrests are in a small area which makes up only 6% of our 2,000 mile border with Mexico. In the Chula Vista, Calif. area, 42% of the illegals cross over and El Paso, Texas is next with 18%. Thus a stronger U.S. force in this small area could stop half of the illegals.

Nelson added that it is vital for Congress to pass a law making it a crime for an employer to hire illegal aliens. He said that most of the border violators are single males age 25 or younger. All say they come here looking for jobs. The cost of 1,000 new Border Officers would only be $93 million a year, which is less than one new F-14 jet. These men can help save the nation from internal destabilization, revolution and final destruction. Protecting our borders is far more important than building a fighter jet!

Tucson and Yuma, Arizona are the next hot spots and illegal crossings there are up 12% this year. Joe Aubin of the Arizona Border office said, *"We are at or near the saturation point right now. We are not going to be able to keep up this pace for long. We need more manpower and equipment."*

Write your U.S. Senator and Congressman to drop everything and vote for a greater increase in manpower to protect our Southern borders. Surely Congress can take this small step toward protecting our national security. The invasion of the "have-nots" is on — here and now — IT MUST BE STOPPED IF THE WHITE RACE AND THIS MAJORITY WHITE NATION IS TO SURVIVE!

Coming Revolt Of The Have-Nots Big Business Worried

Business Week quotes the new book, "The World After Oil," as stating, *"Immigration is the most dangerous issue in America today. The cold, hard, inescapable truth is that the last thing America needs is a flood of unskilled labor. As the deskilled aliens move into the same labor pool with native unskilled people many will grow furious at their new lower status in life. The decade ahead may be one of the most explosive periods in our country's history."*
